**New Safety Rules**

Dear Rider,

We need your help in taking steps to protect participants from the COVID-19 virus with an updated structure to the ride request process. Added safety measures are absolutely necessary since our drivers and riders are in the most vulnerable age group for contracting the COVID-19 virus.

We ask you to please carefully read the attached **Ride Assist Services COVID-19 Safety Rules**. We must follow these rules to protect both you and our drivers. After reading the rules, please print your name and sign the agreement at the bottom of this letter and return the letter to us at the above address as soon as possible.

We look forward to serving you and we may need to follow these rules for many months. We ask for your understanding and cooperation.

Sincerely,

Jayne Lloyd, Coordinator

Ride Assist Services Program

I, \_\_\_\_\_, have read the enclosed **COVID-19 Safety Rules** and agree to follow those rules to protect both the driver and myself. I further agree to disclose COVID-19 symptoms I may have when asked by the coordinator or the driver.

Signed: \_\_\_\_\_ Date: \_\_\_\_\_
