I. INTRODUCTION

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, or national origin in programs and activities receiving Federal financial assistance. Specifically, Title VI provides that "no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance." (42 U.S.C. Section 2000d).

The Civil Rights Restoration Act of 1987 clarified the intent of Title VI to include all programs and activities of Federal-aid recipients, sub-recipients, and contractors whether those programs and activities are federally funded or not.

Recently, the Federal Transit Administration (FTA) has placed renewed emphasis on Title VI issues, including providing meaningful access to persons with Limited English Proficiency.

Recipients of public transportation funding from FTA and the Virginia Department of Rail and Public Transportation (DRPT) are required to develop policies, programs, and practices that ensure that federal and state transit dollars are used in a manner that is nondiscriminatory as required under Title VI.

This document details how **Powhatan DSS** incorporates nondiscrimination policies and practices in providing services to the public. **Powhatan DSS's** Title VI policies and procedures are documented in this plan and its appendices and attachments. This plan will be updated periodically (at least every three years) to incorporate changes and additional responsibilities that arise.

II. OVERVIEW OF SERVICES

Ride Assist Services, a program of Powhatan County Department of Social Services, provides transportation for basic needs to seniors age 60 and above who are unable to drive.

Authorities

Title VI of the 1964 Civil Rights Act provides that no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving federal financial assistance (refer to 49 CFR Part 21). The Civil Rights Restoration Act of 1987 broadened the scope of Title VI coverage by expanding the definition of the terms “programs or activities” to include all programs or activities of Federal Aid recipients, sub recipients, and contractors, whether such programs and activities are federally assisted or not.

Additional authorities and citations include: Title VI of the Civil Rights Act of 1964 (42 U.S.C. Section 2000d); Federal Transit Laws, as amended (49 U.S.C. Chapter 53 et seq.); Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601, et seq.); Department of Justice regulation, 28 CFR part 42, Subpart F, “Coordination of Enforcement of Nondiscrimination in Federally-Assisted Programs” (December 1, 1976, unless otherwise noted); U.S. DOT regulation, 49 CFR part 21, “Nondiscrimination in Federally-Assisted Programs of the Department of Transportation—Effectuation of Title VI of the Civil Rights Act of 1964” (June 18, 1970, unless otherwise noted); Joint FTA/Federal Highway Administration (FHWA) regulation, 23 CFR part 771, “Environmental Impact and Related Procedures” (August 28, 1987); Joint FTA/FHWA regulation, 23 CFR part 450 and 49 CFR part 613, “Planning Assistance and Standards,” (October 28, 1993, unless otherwise noted); U.S. DOT Order 5610.2, “U.S. DOT Order on Environmental Justice to Address Environmental Justice in Minority Populations and Low-Income Populations,” (April 15, 1997); U.S. DOT Policy Guidance Concerning Recipients’ Responsibilities to Limited English Proficient Persons, (December 14, 2005), and Section 12 of FTA’s Master Agreement, FTA MA 13 (October 1, 2006).

IV. NONDISCRIMINATION ASSURANCE TO DRPT

In accordance with 49 CFR Section 21.7(a), every application for financial assistance from the Federal Transit Administration (FTA) must be accompanied by an assurance that the applicant will carry out the program in compliance with DOT's Title VI regulations. This requirement is fulfilled when the Virginia Department of Rail and Public Transportation (DRPT) submits its annual certifications and assurances to FTA. DRPT shall collect Title VI assurances from sub-recipients prior to passing through FTA funds.

As part of the Certifications and Assurances submitted to DRPT with the Annual Grant Application and all Federal Transit Administration grants submitted to the DRPT, **Powhatan DSS** submits a Nondiscrimination Assurance which addresses compliance with Title VI as well as nondiscrimination in hiring (EEO) and contracting (DBE), and nondiscrimination on the basis of disability (ADA).

In signing and submitting this assurance, **Powhatan DSS** confirms to DRPT the agency's commitment to nondiscrimination and compliance with federal and state requirements.

8. Identify and eliminate discrimination.
9. Establish procedures for promptly resolving deficiency status and writing the remedial action necessary, all within a period not to exceed 90 days.

General Title VI responsibilities of the agency

The Title VI Manager is responsible for substantiating that these elements of the plan are appropriately implemented and maintained, and for coordinating with those responsible for public outreach and involvement and service planning and delivery.

1. Data collection

To ensure that Title VI reporting requirements are met, Powhatan DSS will maintain:

- A database or log of Title VI complaints received. The investigation of and response to each complaint is tracked within the database or log.
- A log of the public outreach and involvement activities undertaken to ensure that minority and low-income people had a meaningful access to these activities.

2. Annual Report and Updates

As a sub-recipient of FTA funds, **Powhatan DSS** is required to submit a Quarterly Report Form to DRPT that documents any Title VI complaints received during the preceding quarter and for each year. Powhatan DSS will also maintain and provide to DRPT on an annual basis, the log of public outreach and involvement activities undertaken to ensure that minority and low-income people had a meaningful access to these activities.

Further, we will submit to DRPT updates to any of the following items since the previous submission, or a statement to the effect that these items have not been changed since the previous submission, indicating date:

- A copy of any compliance review report for reviews conducted in the last three years, along with the purpose or reason for the review, the name of the organization that performed the review, a summary of findings and recommendations, and a report on the status or disposition of the findings and recommendations

3. Annual review of Title VI program

Each year, in preparing for the Annual Report and Updates, the Title VI Manager will review the agency's Title VI program to assure implementation of the Title VI plan. In addition, they will review agency operational guidelines and publications, including those for contractors, to verify that Title VI language and provisions are incorporated, as appropriate.

4. Dissemination of information related to the Title VI program

Information on our Title VI program will be disseminated to agency employees, contractors, and beneficiaries, as well as to the public, as described in the “public outreach and involvement” section of this document, and in other languages when needed according to the LEP plan as well as federal and State laws/regulations.

5. Resolution of complaints

Any individual may exercise his or her right to file a complaint if that person believes that he, she or any other program beneficiaries have been subjected to unequal treatment or discrimination in the receipt of benefits/services or prohibited by non-discrimination requirements. Powhatan DSS will report the complaint to DRPT within three business days (per DRPT requirements), and make a concerted effort to resolve complaints locally, using the agency’s Title VI Complaint Procedures. All Title VI complaints and their resolution will be logged as described under Section 1. Data collection and reported annually (in addition to immediately) to DRPT.

6. Written policies and procedures

Our Title VI policies and procedures are documented in this plan and its appendices and attachments. This plan will be updated periodically to incorporate changes and additional responsibilities that arise. During the course of the Annual Title VI Program Review (item 3 above), the Title VI Manager will determine whether or not an update is needed.

7. Internal education

Our employees will receive training on Title VI policies and procedures upon hiring and upon promotion. This training will include requirements of Title VI, our obligations under Title VI (LEP requirements included), and required data that must be gathered and maintained. In addition, training will be provided when any Title VI-related policies or procedures change (agency-wide training), or when appropriate in resolving a complaint.

Title VI training is the responsibility of the Program Coordinator

At a minimum, Powhatan DSS shall disseminate this information to the public by posting a Title VI notice on the agency's website and on program registration documents. Of note, Ride Assist Services of Powhatan DSS only provides transportation to seniors meeting eligibility criteria. All clients have equal access to transportation without discrimination.

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, or national origin in programs and activities receiving Federal financial assistance. Section 2000d).

SEE APPENDIX D- Investigations, Lawsuits and Complaints Document

IX. PUBLIC OUTREACH AND INVOLVEMENT

PUBLIC PARTICIPATION PLAN

Introduction

The Public Participation Plan (PPP) is a guide for ongoing public participation endeavors. Its purpose is to ensure that Powhatan DSS utilizes effective means of providing information and receiving public input on transportation decisions from low income, minority and limited English proficient (LEP) populations, as required by Title VI of the Civil Rights Act of 1964 and its implementing regulations.

Under federal regulations, transit operators must take reasonable steps to ensure that Limited English Proficient (LEP) persons have meaningful access to their programs and activities. This means that public participation opportunities, normally provided in English, should be accessible to persons who have a limited ability to speak, read, write, or understand English.

In addition to language access measures, other major components of the PPP include: public participation design factors; a range of public participation methods to provide information, to invite participation and/or to seek input; examples to demonstrate how population-appropriate outreach methods can be and were identified and utilized; and performance measures and objectives to ensure accountability and a means for improving over time.

Powhatan DSS established a public participation plan or process that will determine how, when, and how often specific public participation activities should take place, and which specific measures are most appropriate. Of note, Powhatan DSS Ride Assist Services only provides transportation services to eligible seniors, for eligible ride types.

Periodically *Powhatan DSS* will hold Public Participation meetings in an effort to safeguard any linguistic or cultural barriers that may prevent minorities and LEP persons from effectively participating in our decision-making process.

NOTE: FTA has developed a Circular, 4703.1, “Environmental Justice Policy Guidance for Federal Transit Administration Recipients,” that includes many examples of effective strategies for engaging minority and low-income populations. FTA Chap. III-6 FTA C 4702.1B encourages recipients to review that Circular for ideas when developing their public engagement strategy.

SEE APPENDIX E-Summary of Outreach Efforts

X. LANGUAGE ASSISTANCE PLAN FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY (LEP)

LANGUAGE ASSISTANCE PLAN FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY (LEP)

Introduction and Legal Basis

LEP is a term that defines any individual not proficient in the use of the English language. The establishment and operation of an LEP program meets objectives set forth in Title VI of the Civil Rights Act and Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency (LEP). This Executive Order requires federal agencies receiving financial assistance to address the needs of non-English speaking persons. The Executive Order also establishes compliance standards to ensure that the programs and activities that are provided by a transportation provider in English are accessible to LEP communities. This includes providing meaningful access to individuals who are limited in their use of English. The following LEP language implementation plan, developed by *Powhatan DSS* is based on FTA guidelines.

As required, **Powhatan DSS** developed a written LEP Plan (below). Using 2010 and American Community Survey (ACS) Census data, **Powhatan DSS** has evaluated data to determine the extent of need for translation services of its vital documents and materials.

LEP persons can be a significant market for public transit, and reaching out to these individuals can help increase their utilization of transit. Therefore, it also makes good business sense to translate vital information into languages that the larger LEP populations in the community can understand.

Assessment of Needs and Resources

The need and resources for LEP language assistance were determined through a four-factor analysis as recommended by FTA guidance.

Factor 1: Assessment of the Number and Proportion of LEP Persons Likely to be Served or Encountered in the Eligible Service Population

The agency has reviewed census data on the number of individuals in its service area that have limited English Proficiency, as well as the languages they speak.

U.S. Census Data – American Community Survey (2015-2020)

Data from the U.S. Census Bureau's American Community Survey (ACS) were obtained through www.census.gov by **Powhatan DSS**'s service area. The agency's service area includes a total of **882 and 3.26%** persons with Limited English Proficiency (those

persons who indicated that they spoke English “less than very well,” in the 2015-2020 ACS Census).

Information from the 2015-2020 ACS also provides more detail on the specific languages that are spoken by those who report that they speak English less than very well. Languages spoken at home by those with LEP are presented below. These data indicate the extent to which translations into other language are needed to meet the needs of LEP persons.

• Spanish	364	1.34%
• Indo-European	277	1.02%
• Asian and Pacific Island Languages	146	0.54%
• Other Languages	95	0.35%

[Note: if any of these categories represents over 5% or 1,000 persons whichever is less, you should explore the individual languages in the category to determine whether any specific language meets this threshold]

It is noted that there are relatively low number of LEP persons in the service area – no language is spoken by over 5% or a total of 1,000 persons in the LEP population.

Factor 2: Assessment of Frequency with Which LEP Individuals Come Into Contact with the Transit Services or System

All Powhatan DSS Ride Assist Services clients are able to make ride requests as needed, for medical and dental appointments, and personal business transportation needs such as banking, post office, pharmacy and community organization or offices according to their personal needs.

We will continue to identify emerging populations as updated Census and American Community Survey data become available for our service area. In addition, when LEP persons contact our agency, we attempt to identify their language and keep records on contacts to accurately assess the frequency of contact. To assist in language identification, we use a language identification flashcard based on that which was developed by the U.S. Census. (<http://www.lep.gov/IspeakCards2004.pdf>)]

Factor 3: Assessment of the Nature and Importance of the Transit Services to the LEP Population

Powhatan DSS provides the following programs, activities and services:

Ride Assist Services, a program of Powhatan County Department of Social Services, provides transportation for basic needs to seniors age 60 and above who are unable to drive.

Factor 4: Assessment of the Resources Available to the Agency and Costs

Costs

The following language assistance measures will be provided by **Powhatan DSS**

- *Google Translate*
- *www.Lionbridge.com*

We anticipate that these activities and costs will increase as the translation service utilized will increase their fees.

Based on the analysis of demographic data and contact with community organizations and LEP persons, **Powhatan DSS** has determined that the following additional services are ideally needed to provide meaningful access:

As needed, services will be secured through Lionbridge at a rate of:

- \$0.10 per word for translation in Spanish (written document)
- \$0.17 per word for translation in other languages (written document)
- over the phone spoken language interpretation at \$0.45 per minute for Spanish
- \$0.60 per minute for all other languages

Resources

Agency donor funds are made available in the event of translation services being used.

LEP Implementation Plan

Through the four-factor analysis, **Powhatan DSS** has determined that a written Language Implementation Plan is not required at this time which is permissible under FTA Circular C 4702.1.A Powhatan DSS understands that an absence of a written LEP Plan does not obviate the underlying obligation to ensure meaningful access by LEP persons to our program. When appropriate, Powhatan DSS will provide translated vital documents, provide access to language assistance services and provide staff training on policy and procedures related to assisting LEP persons.

As the community grows and new LEP groups emerge, **Powhatan DSS** will strive to address the needs for additional language assistance.

XI. MINORITY REPRESENTATION ON PLANNING AND ADVISORY BODIES

Title 49 CFR Section 21.5(b)(1)(vii) states that a recipient may not, on the grounds of race, color, or national origin, “deny a person the opportunity to participate as a member of a planning, advisory, or similar body which is an integral part of the program.”

Powhatan DSS does not have transit-related, non-elected planning boards, advisory councils or committees, or similar committees, the membership of which we select.

XII. MONITORING TITLE VI COMPLAINTS

As part of the complaint handling procedure, the Title VI Manager investigates possible inequities in service delivery for the route(s) or service(s) about which the complaint was filed. Depending on the nature of the complaint, the review examines span of service (days and hours), frequency, routing directness, interconnectivity with other routes and/or fare policy. If inequities are discovered during this review, options for reducing the disparity are explored, and service or fare changes are planned if needed.

In addition to the investigation following an individual complaint, the Title VI Manager periodically reviews all complaints received to determine if there may be a pattern. At a minimum, this review is conducted as part of preparing the Annual Report and Update for submission to DRPT.

APPENDIX A – TITLE VI NOTICE TO THE PUBLIC

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, or national origin in programs and activities receiving Federal financial assistance. Specifically, Title VI provides that “no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance” (42 U.S.C. Section 2000d).

***Powhatan DSS** is committed to ensuring that no person is excluded from participation in, or denied the benefits of its transportation services on the basis of race, color, or national origin, as protected by Title VI in Federal Transit Administration (FTA) Circular 4702.1B. If you feel you are being denied participation in or being denied benefits of the transit services provided by **Powhatan DSS**, or otherwise being discriminated against because of your race, color, national origin, gender, age, or disability, our contact information is:*
